

Gensource
POTASH CORP

PUBLIC INFORMATION MEETING

Learn about plans for an innovative potash project proposed for the Tugaske area by Gensource Potash Corporation.

Join us for coffee and snacks and meet the company's leadership team who will explain the current project plans and the potential community impact of the proposed facility. The Vanguard One Project is small and based on new, low-environmental-impact techniques and Gensource is excited to be able to share this information with residents in the local area.

Location: Tugaske Town Hall

Date: February 1

Time: 4:00 – 7:00 p.m. Presentation at 5:30.

All residents of Tugaske and district welcome.
