

THE RM OF EYEBROW LANDFILL WILL BE CLOSED OFFICIALLY BY DECEMBER 13, 2018

In September we will have a roll off bin placed at the landfill to accept garbage that is only for ratepayers at a cost of \$20.00 per garbage drop (max ½ ton load). **You must pre-purchase a garbage 6 hole punch card** for \$120 plus PST at the RM office **before** you use the roll off bin at the landfill location. The bin will be supervised and available on Tuesdays from 9 a.m. to 5 p.m. and Saturdays from 8 a.m. to 12 p.m. Larger load costs will be at the discretion of the bin site supervisor. One hole punch for a normal ½ ton or more for larger loads. Construction materials will be refused. The roll off bin at this site be available at Darmody (NE 24-20-03 W3) sometime in September, depending on the Loraas delivery schedule.

If we can get enough ratepayers to sign up we can get Loraas service in the RM of Eyebrow. We must have at least 24 bin orders to receive this service.

This is an example of a front end container for waste that you can have on your yard site. While a 6 yard bin is shown in this picture, this style of bin is also available in smaller sizes, 3 yard and 4 yard.

3 yard bin	4 yard bin
20 to 25 garbage bags	25 to 30 garbage bags

Front end bins are available for farms.

Loraas must have a **minimum of 24 FE bins** for service in the RM.
